SECY TO GOVT OF MYSORE

Respected Sir

We the public of Hassan town beg to bring the following for your kind consideration and redress in the matter

The Hassan town has a population of about 15000 There is already a cinema theatre in this town and a second one is under construction

Such being the ~~case~~ situation the municipal council in its meeting held on 31-7-43 has resolved, in spite of strong opposition, to grant a plot of land belonging to a private Makan, to construct another cinema theatre at Hassan This would be third cinema theatre for Hassan town.

L.J BRANCH

In these hard days, when people have no food to eat and when price of every article has gone up, it is very unwise on the part of the municipal council to allow for the construction of a third cinema theatre at Hassan Even from the health point of view it is not advisable to have three cinema theatres at hassan

As such we most humbly pray to ~~cancel~~ cancel the resolution passed by the municipal council and pass orders, that a license for a third cinema theatre should not be given in the town of Hassan

Yours Most Obediently 5-8-43

Sir,

Re constructing a third Cinema at Hassan.

With reference to your letter No.L 1890 dated 14-8-1943 forwarding the petition of Mr H S. Venkatachala Setty and others of Hassan Town Re cancelling the resolution of the Municipal Council granting license for the construction of a third cinema building and requesting me to examine the desirability of preventing the coming up of the cinema in question, have the honour to state as follows -

One Mr.G K.D Anantharajiah, Contractor,Hassan applied to the Municipality for the grant of the vacant site behind Mahila Seva Samaj for constructing a cinema theatre. The Municipal Council have resolved at their meeting held on 31-7-1943 that the land may be sold in public aucition Three petitions from the residents of Hassan Town were - received in this office objecting to the construction of a third cinema at Hassan and a report was called for from the President of the Municipality re the right and ownership of the Municipality over the land in question.

TheAmildar of Hassan Taluk has reported that the land where the Jubilee Hall is situated was purchased by Mr H R Sreenivasa Rao, that in the sale deed the site in question which is to the north of the - Jubilee Hall is described as S.No.169, that according to pahani sud this S No is shown as sirkar belonging to Ibrahim Sab, that it might have been resumed to Govt some time back and that no one is claiming propritory rights over this land.

The Municipality has contested that the site in question belongs to it as stated in the report of the Municipal President dated 12-4-44 which is enclosed to the records During 1929-30 certain land near the Jubilee Hall has been granted by the Deputy Commissioner to the Theosophical Society for constructing a building Records pertaining to this grant are also enclosed.

There is already one cinema Theatre at Hassan and another Theatre is being constructed near the Bus Stand.

Hassan is a flourishing town and the construction of a third Cinema may be desirable. But pending decision re the ownership of the site in question no license will be granted to construct a building at the place now proposed. The Municipal President has intimated that no license has been granted for the construction of a building and the land has not been disposed off as resolved by the Council. He has been requested not to dispose off the site until the question of ownership is decided.

The entire file of records is herewith submitted for favour of reference and return.

I have the honour to be,
Sir,
Your most obedient Servant,

DEPUTY COMMISSIONER,
HASSAN, DISTRICT.
